

NATIONAL ENDOWMENT FOR THE ARTS

Requirements for Acknowledgement of Arts Endowment Support

State Arts Agencies and Regional Arts Organizations must clearly acknowledge support from the National Endowment for the Arts in their programs and related promotional materials.

In addition to acknowledging the Arts Endowment in their own materials, SAAs and RAOs should do all they can to make sure their grantees recognize the role of the NEA in their materials.

A sheet of camera-ready logo artwork was included with your grant award letter. To receive logos in a digital format contact Andi Mathis (202/682-5430). If you have not already done so, please incorporate the logo into your agency's publications and Web site along with acknowledgement of NEA support.

Logos should be used with an appropriate credit line. Acknowledgement of NEA support can be phrased to fit different circumstances. For example:

- *Funding for the _____ Arts Council and its programs is provided by the State of _____ and the National Endowment for the Arts, a federal agency.*
- *The _____ Arts Council is funded by the _____ State Legislature, the National Endowment for the Arts, and other public and private sources.*
- *This project was supported by the _____ Arts Commission, with funding from the State of _____ and the National Endowment for the Arts*
- *This project was supported by the _____ Arts Commission, a partner agency of the National Endowment for the Arts.*

Thank you for helping to promote a more complete appreciation of the federal role in supporting the arts in your state or region.
